Mysteries on Tape: Haila Williams is Acquisition Editor at Blackstone Audiobooks

Thursday Feb 9th 7p
Ashland Public Library
(Gresham Street Entrance)

When did we start listening to books instead of just reading them? How did it happen that we now rely on audiobooks to pass the time -- in the car, cleaning house, walking about town or working in the garden? Haila Williams, Acquisition Editor at Blackstone Audiobooks right here in Ashland, selects books to be recorded, shepherds them through production and then gets them out the door.

What makes an audiobooks just perfect for mysteries? Ever wonder whether an author can read their own works? Or how tricky is it to proof an audiobook? As Acquisition Editor at Blackstone Audiobooks, Williams can answer all your questions.

Blackstone Audiobooks is an award-winning publisher of audiobooks with national distribution and an outstanding catalog of mysteries.

William's presentation is free and open to the public.

All welcome
