BLINDED  
BY THE LIGHT  
A TESS CAMILLO MYSTERY  
MORGAN  
HUNT

Mystery author Morgan Hunt, whose third Tess Camillo book *BLINDED BY THE LIGHT* is out this month from Alyson Press will be at Bookwagon on September 12. Meet Hunt and celebrate her birthday with cake.

*BLINDED BY THE LIGHT* is set in the New Mexico lightning field designed by American sculptor Walter de Maria in 1977. This extraordinary location is imbued with mystery and suspense, and is a perfect spot for Hunt's work.

Morgan began writing after a career in the military. Her debut Tess Camillo mystery was *STICKY FINGERS* published in 2007, followed by *FOOL ON THE HILL* published in 2008.

Morgan describes her mysteries and her characters -- "Remember the Odd Couple? Instead of two men, make them women -- one lesbian; one straight; one ditzy and dreamy; the other logical and linear-minded. Have them care deeply about each other through meals, jobs, love affairs, poker games and a bout with breast cancer. And then... have them solve murders!" .
