All welcome

In Cara Black's gripping seventh mystery, *Murder on the Ile Saint-Louis*, published in 2007 by Soho Crime, Amiee Leduc cares for an abandoned baby as she investigates murder. *Publishers Weekly* says, "This Paris has a gritty, edgy feel, and Black's prose evokes the sound of the Seine rising with the spring Thaw. Amiee makes

an engaging protagonist, vulnerable beneath her vintage chic clothing and sharp-witted exterior."

"The trendy byways of Paris belong to Aimee Leduc, the clever young sleuth in a winning series by Cara Black, an American with an uncanny feel for the street culture of old Parisian neighborhoods."
